

Queensland's pride...

The Darling Downs Zoo is situated in a delightful rural setting just a pleasant forty minute drive from Toowoomba or thirty minutes from Warwick.

Join in with our free activities, take part in our sausage sizzle or bring your own picnic or BBQ to enjoy.

New animals and features are continually being added to the Darling Downs Zoo to ensure that you will experience new thrills every time you visit us.

Visit our website or facebook page for a full list of activities, demonstrations, personal encounters or free photo opportunities.

The Zoo is privately owned by Steve and Stephanie Robinson and receives no government funding at all.
